**Statement of Timely Transmission of Reply**

Dear Sir:

Under the supervision of attorney Margaret Anderson (registration number 44,182), I handled the transmission of a reply to the Notice of Missing Requirements in the above-identified application. As the attached facsimile transmission sheet shows, 15 pages were in fact transmitted to a facsimile telephone number at the United States Patent and Trademark Office, (number 571-270-8872), on June 13, 2006 at 4:24 p.m. (C.S.T.), which was within the time limit for answering the Notice of Missing Requirements for the above-identified application. I verify that it is my signature on the facsimile cover sheet and that I was the person who submitted the transmission via facsimile.

The transmission packet included PTO-1390 form with a valid deposit account number and authorization to charge any fees as needed for this application. The transmission packet also contained the missing oath/declarations of the inventors.

With this statement, I attest that the Notice of Missing Requirements for the above-identified application was answered in entirety and in due time.

Respectfully submitted,

Date: 11/26/07
